Brain cell

BrainStem

Brainstem, the connection of the brain to the body, is now a correspondence art project. The idea is for one hundred artists to submit 100 copies of their work, either originals or photocopied, it is up to the submitting artist. Brainstem will be distributed, in various formats, to the artists that have contributed. At the present, 18 artists have contributed and the distribution will begin once one hundred have contributed. The format is to be either A4 or US letter, depending on where you are from, and can be either single or double sided. The only requirement is 100 contributors, you work to:
